## Description

The Student Startup & Innovation Policy of Government of Gujarat aims to create an integrated, state-wide, university-based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit.

Department of Mechanical Engineering has organized the sensitization program for the students. Program was started at 16.15 by Shri A.M.Galani with introductory speech. Further, Dr. V.S.Tejwani has given the speech regarding idea generation and motivate the students to take more advantages of SSIP. Further program was conducted by Smt. V.R.Kotdavala, SSIP Coordinator. She has given the information about idea generation, IPR, POC, funding at different stages, Scrutiny of idea etc. Our principal Shri A.K.Zala had motivate to students and given examples to generate the ideas.

Program was successfully completed by the guidance and motivation of our principal Shri A.K.Zala, Head of Mechanical Department H.V.Mandalia, SSIP Coordinator Smt. V.R.Kotdavala, SSIP Co-coordinator Dr. V.S.Tejavani. We are thankful to all our speakers for giving the guidance to students. Here are few glimpses of the program.

Shri A.M.Galani, Lecturer in Mechanical Engineering Department
