## Workshop on Basic of PIR

Expert: Mr. **Parth Sejpal**

Date: 19<sup>th</sup> oct. 2019

Venue: PDV Lab, COE workshop Building

**GOVERNMENT POLYTECHNIC  
JAMNAGAR**

19<sup>th</sup> Oct 2019, Jamnagar

Government polytechnic Jamnagar has to be conducted a workshop on “Basic of IPR” under SSIP dated 19<sup>th</sup> October 2019, time 11:00 to 17:00 at PDV Lab, COE workshop Building, at Govt. Polytechnic Jamnagar.

Students startup innovation project (SSIP) is government program to start up fuel to innovation program to the students and developed new young scientist, mostly every engineering stream have a subject name “project” which is more compatibility to innovation of their interest field. Many of the innovation and invention need to understand the Intellectual properties right & patent filing so this workshop is very helpful to the young scientist for basic knowledge of patent, copy right, design & trade mark.

19<sup>th</sup> October, Morning 11:00 AM Mr. R S Oza, Lecturer in civil Department has to be inauguration speech on basic knowledge and ideas of this work shop , he has also introduced to workshop expert Mr. Parth sejal . Mr. Oza also given scheduled of the program to the participates

Session has divided in two parts:

- Morning session 11 AM to 1 PM Theory class
- Afternoon session 2PM to 5 PM Hands-on training

SSIP Institute Co-coordinator Shri Vrunda Kotadawala has given bouquet to the invited honorable chief guest Mr. Parth sejal with welcome speech, she given brief introduction of workshop and count the benefit to the participates to be participated in this workshop

Moring 11:30 AM , Mr. Sejal is assistant professor and registered Indian patent agent from GTU has started with basic term and key difference of innovation and invention , also given meaning of intellectual property , Types and evaluation. Patent filling, Trademark, copy right and industrial design, geographical location has core part of work. He also given knowledge of how to filling patent form, patent rules, web site and online procedure with fees structure

Expert Mr. Sejpal explain on Geographical Indication

Total no. of the faculties participate was approximate 45 and final year students participate was 46 so total number of participate in workshop was around 91. After Morning session all participate has to be started hands – on at PDV Lab.

At Afternoon session PDV Lab has sufficient computers for hands-on to participates. They have searched, how much no of patent filled in Jamnagar and other cities. How was the procedure in online, Form filled and Time duration of Patent has to be aware with hands-on

Finally all participates were very enjoy to taken participation in workshop and given feedback about how to improved and refined its knowledge of the Intellectual properties right, patent, trademark, copy right and industrial design. Shri Vrunda Madam said that "I never clear doubt without theory and hands-on practice, this was the perfect combination of the workshop, my lots of doubt clear to attended this workshop and become confident for filling for my new patent"

Last Shri Vrunda Madam has given word of thanks to the invited chief guest and all participated members , she also thanked to the Principal of the institute and committee members for successes of the this workshop.
